

Product brochure

- This all-in-one A4 colour multifunctional device covers all your daily business requirements with print, copy, scan and fax functions.
- The e-STUDIO338cs helps streamline business' document workflows with productivity up to 33 pages per minute.
- Cutting edge technology ensures your colour print jobs do not come to a halt, simply select to continue printing in monochrome instead.
- Impeccable print quality ensures consistent yet impressive document output, from the first print to the last.

AN ASSET TO ANY WORKGROUP

The e-STUDIO338cs is an asset to any business or workgroup that requires productivity, reliability and ease of use. This compact A4 multifunctional device offers remarkable image quality to give your documents the wow-factor.

Even challenging print jobs can be fullfilled, thanks to a clever range of options and solutions. For instance, a maximum paper capacity of 1,451 sheets ensures large print jobs run with ease. Additionally, you can achieve seamless wireless connectivity with the 802.11ac/56Hz dual band wireless print server module.

The tiltable, colour touch panel and keypad offer a straightforward way to access all of the device's functions and features. At Toshiba, we take the privacy of your data seriously, so an optional card reader can be added to the e-STUDIO338cs for an extra layer of security – giving you full control over who has access to sensitive business data.

CONFIGURATION

SPECIFICATIONS
